PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 15th January 1966

SUBJECT.—*Import Policy for textile machinery and apparatus etc., for the period April 1965—March 1966.*

No. 10-ITC(PN)/66.—Attention is invited to the import policy for textile machinery and apparatus falling under S. No. 5/III of the I.T.C. Schedule as given in Section II and in Appendix 50 to the Import Trade Control Policy Book for the period April 1965—March 1966.

2. In order to give further impetus to import substitution and in view of the indigenous production, the policy for the import of—

(i) draw frames for cotton textiles;

(ii) speed frames for cotton textiles; and

(iii) worsted spindles or worsted spinning frames for spinning worsted woollen yarn has been reviewed and it has been decided that:—

(a) Licences for the import of above mentioned machinery to any category of importers will be issued subject to the condition that the licensees shall also purchase these machines from indigenous manufacturers equal in number to that recommended by the Textile Commissioner, Bombay for import. Applicants who have applied

for import licences for these items of machinery should therefore place firm orders with the indigenous manufacturers for the purchase of one indigenous machine against one of such machine recommended for import. They should furnish to the Textile Commissioner, Bombay a copy of the order placed by them accompanied by the deposit receipt for 10% of the price of the indigenous machines together with irrevocable letter of credit or bank guarantee in favour of the indigenous manufacturer for 40% of the price of the indigenous machines. On production of these documents the Textile Commissioner will issue a certificate that these steps have been taken by the applicant. The applicant should furnish the said certificate to the licensing authority concerned. The applications for licences will be considered by the licensing authority only on receipt of such certificate.

(b) Licences already issued for the import of above mentioned items of machinery to any category of importers will also be subject to the condition that the licensee shall purchase one indigenous machine against one of such machine allowed for import. The licensees shall be permitted to effect imports of these machines against their licences only after they place firm orders on the indigenous manufacturers for the purchase of indigenous machines in question, produce a copy of that order with other documents as indicated at (a) above, to the Textile Commissioner, Bombay, obtain the required certificate from the Textile Commissioner, Bombay and produce the said certificate to the licensing authority concerned on or before 28th February 1966.

(c) The breach of any condition of the import licence including the condition to purchase indigenous machinery in the manner referred to at (a) & (b) above will make the imported machinery liable to confiscation under the Customs Act 1962 without prejudice to any other action that may be taken against the licensee under any law rule, order or regulation.

(d) The policy and the conditions mentioned at (a), (b) and (c) above will apply to all import licences issued for the above mentioned items of machinery whether for replacement purposes or for new/expansion units.

(e) In future, *no applications for import of the above mentioned items of machinery will be considered from any category of importers.*
